

Thank You!

Thank you for your interest in sponsoring my DNA ThetaHealing seminar. It would be a great pleasure for me to come to your area and present my workshop. This is a fun and spectacular class, a great learning experience, and as a thank you, you and a friend can attend for free.

The seminar includes 3 full days of instruction, plus personal support before and after the seminar. Each participant will receive the book, "Go Up and Work with God" by Vianna Stibal, which includes the practitioner's manual.

This class is a "hands on" class which will also certify them to receive a certificate from Vianna for continuing education in ThetaHealing.

I will offer one free class if you bring 20 people to the seminar (signed up in advance) and two free classes if you bring 30 people signed up in advance. You can give this to yourself or anyone you please.

Matters of Energy Exchange

I've gone over the costs carefully and find that I can offer a very excellent price of just \$395 for the 3 day seminar. This is an excellent price for your group and I think this is a great bargain for you.

I will receive this exchange of money at the door the morning of the first day of the seminar. I prefer that you inform all those who are coming that I accept cash or money orders. For foreign classes, the money can easily be sent to me through bank transfers.

As the host, you are allowed to add your expenses to the seminar price to cover all additional expenses such as room rental.

Host Requirements

As the host, you are responsible for finding a room large enough to hold the seminar. There are a few criteria I have regarding the room:

- Big enough to include at least 20-80 people comfortably.
- Proper ventilation, air conditioning or heat
- A place for smokers outside
- Located near public transportation
- Adequate parking
- Close to place where guests can have lunch conveniently
- Beverages (tea, water) provided or a vending machine
- Public bathrooms that are convenient
- Close or convenient to where I will be staying
- A table for books
- A projector, if possible, or a white board or flip chart.
- A place to stay or a pleasant hotel that is moderately priced for me.

Collect deposits. When someone registers for the seminar you will change them \$100-\$150. for the deposit. Tell the people who call that the deposit is nonrefundable. This will give you the money up front to pay for the expenses of the seminar.

You are required to provide a map to those people arriving from other places as to where the seminar will be. Please inform them of the closest most convenient airport or train station to arrive in. A list of nearby restaurants is a plus.

For me to come and give a seminar you are required to have at least 20 students signed up in advance for attendance. If this requirement is not met, we will discuss postponement or cancellation of the class.

My ThetaHealing classes are so much fun, easy, and powerful, the classes fill almost on their own. People are so excited to learn and heal they will be magnetized to you. It's that simple.

I will help you any way that I can. And we need to keep in constant

communication with each other. This is so much fun!

Advertise

It is a good idea to start working the seminar in plenty of time in advance of the class date. Hang flyers in "New Age" book stores, crystal shops, and metaphysical stores.

Word of mouth and email groups are fast ways to spread information about these seminars. I can also email you some information.

I have the most beautiful flyers I can mail you on beautiful heavenly angel paper. Just let me know how many you want, plus the dates, and contact information. I can have them printed up and sent to you right away.

Please let me know if you have further questions! I'm delighted and eager to meet you and the members of your group. I know you will be very empowered by processes you will learn with me in this very exciting seminar.

Let me know what weekend works for you. Please let me know also if you need further clarification on any point.
